

Modular Construction

Zareba Product Overview

- **Plug-in modules simplify maintenance**
 - Display, terminal, sensor modules easy to fit and replace
 - Minimal number of parts required
 - No need for ‘specialist’ knowledge for basic maintenance
- **Sensor replacement**
 - External plug in sensor
 - Colour coded to the detector to minimise error
 - Common to Plus and Pro reduces spares holding
- **Non-intrusive operation**
 - Removes need for ‘hot work’ permit
 - Minimizes time for routine maintenance
